Service Redesign: How can non-medical prescribing and innovation scale the SACT Clinic of the Future?

When: **Thursday 13th June 2024**
11:45am – 12:45pm

Where: **Clarence Room, DoubleTree
by Hilton Brighton Metropole**

We invite you to join our expert panel to discuss best practices in the delivery of systemic anti-cancer therapy (SACT). From experience in breast service delivery, our multidisciplinary panel will cover:

- **Reviewing current challenges**, and looking to the future
- Moving treatments and monitoring **closer to the home**
- **Ensuring non medical prescribers** are working to the peak of their capability and moving to advanced practice
- **Use of ePROMs (patient reported outcomes) and digital innovation in-clinic**
- **Taking a patient centric approach** and building for inclusivity
